Good Clinical Practice (GCP) Basics

Good Clinical Practice (GCP) Information The CITI Good Clinical Practice (GCP) Basic Course is an overview of GCP. Some units on campus require this course, but it is optional for the HRPP. Be sure to check with your departmental GCP training requirements.

webIRB

webIRB IRB's online submission and review system for research studies. The system also functions as a document repository, providing study personnel with easy access to study documents like approved consent forms.

CareConnect

CareConnect training for Clinical Coordinators These modules take about 5 hours according to the training staff.

Data Management Tools

Data Management Tools available online including RedCap.

We recommend that Coordinators who are new to UCLA visit Resources for New Coordinators for general institutional information.
