

## [Responsible Conduct of Research](#)

Federal grant proposals (all proposals to NSF, training proposals for NIH) normally include a requirement that all trainees are provided with instruction in the [Responsible Conduct of Research \(RCR\)](#). An RCR program normally covers these areas: ethics, conflict of interest, responsible authorship, policies for handling misconduct, data management, data sharing, and policies regarding the use of human and animal subjects. UCLA utilizes the [CITI-hosted Responsible Conduct of Research Course for UCLA](#).
