This section includes the following for each of the partner sites:

- How to contact a Facilitator at affiliated sites
- Clinical and Translational Research Center (CTRC) information including
  - budget and billing
  - application forms
  - contact information
- IRB Approvals
- Regulatory & Compliance
- Data Management
- Training
- Consultations
- Grant Development and Submissions

UCLA is committed to supporting researchers at UCLA and UCLA Affiliate Institutions with the following goals:

- To promote excellence in quality of clinical trial management through support and education.
- To facilitate effective and timely clinical trial initiation by improving institutional processes and development of clinical trial, regulatory, budget and finance tools and information.
- To increase awareness of clinical trials in the community through education and community participant recruitment outreach activities.
- To interface with institutional/industry partners to support enhanced clinical research practice.

To get started, please contact the facilitator at your institution.

### **Clinical and Translational Research Budgeting and Billing**

The UCLA Clinical and Translational Research Centers (CTRCs) assist investigators with:

- set-up of your CTRC study budget
- obtain CTRC cost information

- ensure proper billing of all patient care activities

If your research will be completed at a Clinical and Translational Research Center, please see the CTTC application process below.

### What is the Clinical and Translational Research Center application?

The UCLA CTTC online application processes and forms are used at UCLA-Westwood, Cedars-Sinai, Charles R. Drew University and LA BioMed/Harbor-UCLA to submit, review, and approve clinical research services. **All CTTC partner site services are available to all CTSI researchers.** See below for the available processes and forms at each site:
