

## [Integrating Special Populations \(ISP\)](#)

### ISP Services

The [CTSI Integrating Special Populations Program \(ISP\)](#) increases the quantity and quality of research in children, older adults, and populations affected by health disparities at the UCLA CTSI partner institutions: UCLA Westwood, LA BioMed at Harbor-UCLA, Cedars-Sinai, and Charles R. Drew University.

- **Internal Pre-Submission Grant Reviews** – offered approximately 4-6 weeks before submission deadlines.
- **Career Consultations**  
An interdisciplinary team of senior faculty members provide one-time, or ongoing career advice. Interested faculty submit a CV and responses to key questions about their career trajectories.
- **Project-Specific Consultations**

Visit the [ISP page](#) for details on their services.
