Integrating Special Populations (ISP)

ISP Services

The CTSI Integrating Special Populations Program (ISP) increases the quantity and quality of research in children, older adults, and populations affected by health disparities at the UCLA CTSI partner institutions: UCLA Westwood, LA BioMed at Harbor-UCLA, Cedars-Sinai, and Charles R. Drew University.

- **Internal Pre-Submission Grant Reviews** – offered approximately 4-6 weeks before submission deadlines.
- **Career Consultations**
  - An interdisciplinary team of senior faculty members provide one-time, or ongoing career advice. Interested faculty submit a CV and responses to key questions about their career trajectories.
- **Project-Specific Consultations**

Visit the [ISP page](https://www.researchgo.ucla.edu/integrating-special-populations-isp) for details on their services.
