- Grant Development and Submissions

UCLA is committed to supporting researchers at UCLA and UCLA Affiliate Institutions with the following goals:

- To promote excellence in quality of clinical trial management through support and education.
- To facilitate effective and timely clinical trial initiation by improving institutional processes and development of clinical trial, regulatory, budget and finance tools and information.
- To increase awareness of clinical trials in the community through education and community participant recruitment outreach activities.
- To interface with institutional/industry partners to support enhanced clinical research practice.

To get started, please contact the facilitator at your institution.
