Investigator Initiated Trial (IIT) Toolkit

Investigator Initiated Trial (IIT) Toolkit – guidance on efficient contracting to move a trial forward

The IIT Toolkit is intended to provide guidance on the information needed when starting an IIT to facilitate efficient contracting and move the trial forward as quickly as possible. Each page below highlights information about elements of the study, questions that the contracting office will need answered, or checklist items for the PI to accomplish.

1. IIT Toolkit Homepage
2. Study Plan
3. Protocol
4. Budget
5. Funding
    - Multiple Funding Sources
6. Modifications and Changes
7. ***Other Situations:***
    - Correlative Studies
    - Subcontracts
    - Consortium Agreements

This Toolkit was created by the BRAID Contracting Work Group.
