CVs

CV's

Requirements

- Signed and dated CVs for all IRB approved key personnel (investigators and sub-investigators)

Tips / Additional Information

- CVs should be signed, dated, and updated every 2 years to verify that information is accurate and current.
- If CVs are filed collectively for the department, include a signed and dated note-to-file indicating the location.
- If CVs are maintained electronically, include the “date prepared” and where they are electronically stored.
- For NIH funded studies, investigators can use their NIH Bio Sketch.

Applicable GCP sections:

- 8.2.10
- 8.3.5
- 4.1.1
